ACADEMIC COSTUME

The practice of wearing academic dress for commencement and other special events evolved from fourteenth-century custom and at least in part from the statutes prescribing everyday student garb in British and European institutions. A code governing academic costume for American colleges and universities was the outgrowth of a conference in 1895 by representatives of various interested institutions. Review and revision of the code was made in 1932 and again in 1959 by the American Council on Education. The code standardizes academic costume (gown, hood, and cap) distinctive of the titles conferred.

GOWN. The usual color for the gown is black. . . . The *sleeve* indicates the degree of the wearer: ASSOCIATE, BACHELOR, long, open, pointed, the tip extending below the hip; MASTER, oblong, square at the back, an arc at the front, the tip extending below the knee; DOCTOR, voluminous, bell-shaped, wrist-length. . . . *Velvet bands* identify the doctor's gown, a wide panel on either side at the front opening and three narrow bands across the upper portion of the sleeve. This velvet trimming may be black but is often the color indicative of the branch of learning.

HOOD. The most colorful and distinctive item of the costume is the hood. It is attached at the front a few inches below the neckline, passes over the shoulder, and extends loosely down the back. . . . The hood is *lined* with the official color or colors of the college or university conferring the degree, and these colors are worn exposed where the hood turns outward at the center back. The band of *velvet* at either side of the center turnback and around the front loop of the hood is the color indicative of the branch of learning of the wearer. . . . The *style* of the hood indicates the degree: ASSOCIATE, two feet long, straight edge; BACHELOR, three feet long, pointed, two-inch velvet band; MASTER, three and a half feet long, pointed, three-inch velvet band; DOCTOR, four feet long, paneled at the side to give a rounded appearance at the lower edge, five-inch velvet band.

COLORS. The hoods of candidates and graduates of Loma Linda University are lined with a *field of gold* on which is a *purple chevron*. Some of the hoods of faculty members in the procession identify graduates of the following universities:

Boston, <i>white on scarlet</i>	Michigan, <i>azure blue on maize</i>
California, <i>yale blue on gold</i>	Michigan State, <i>white on hunter green</i>
Cambridge, <i>bright red</i>	Montana State, <i>goldenrod on royal blue</i>
Chicago, <i>maroon</i>	Nebraska, <i>scarlet on cream</i>
Claremont, <i>white on maroon</i>	Northwestern, <i>gold on purple</i>
Colorado, <i>silver gray on gold</i>	Ohio State, <i>gray on scarlet</i>
Columbia, <i>white on light blue</i>	Oregon, <i>emerald green on lemon yellow</i>
Denver, <i>gold on crimson</i>	Pittsburgh, <i>gold on navy</i>
Emory, <i>gold on navy blue</i>	Rice, <i>gray on blue</i>
George Washington, <i>buff on dark blue</i>	Saint Louis, <i>yale blue on white</i>
Harvard, <i>crimson</i>	Southern California, <i>cardinal on gold</i>
Illinois, <i>orange on navy blue</i>	Stanford, <i>cardinal</i>
Indiana, <i>cream on crimson</i>	Texas A and M, <i>white on maroon</i>
Iowa State, <i>old gold on cardinal</i>	Virginia, <i>orange on navy</i>
Iowa, <i>old gold</i>	Washington, <i>purple on gold</i>
Maryland, <i>old gold on black</i>	Wisconsin, <i>cardinal</i>

Colors associated with branches of learning (shown in velvet in the trimming on hoods and in some cases on the front and sleeves of the gowns) are:

dentistry, <i>lilac</i>	medicine, <i>green</i>	philosophy, <i>dark blue</i>
education, <i>light blue</i>	nursing, <i>apricot</i>	public health, <i>salmon</i>
law, <i>purple</i>	pharmacy, <i>olive</i>	science, <i>gold yellow</i>
liberal arts, <i>white</i>		social work, <i>citron</i>
library science, <i>lemon</i>		theology, <i>scarlet</i>

American College of Dentistry, *American red rose and lilac velvet panels*

American College of Surgeons, *navy blue gown, red velvet panels*

American College of Physicians, *embroidered insigne on right sleeve*

American College of Obstetricians and Gynecologists,
forest green cap and gown with dark green velvet trimming and chevrons

CAP. The standard black cap (the so-called mortarboard, derived from the cap of Oxford University) is worn both indoors and outdoors with academic costume. The *tassel* is black for the associate's, bachelor's, or master's degree at this University; candidates for the doctor's degree wear the gold. . . . Faculty members wearing soft caps somewhat resembling an overlarge beret usually hold degrees from universities outside the United States.
