Live out Thy life within me, O Jesus, King of kings!  
Be Thou Thyself the answer to all my questionings;  
Live out Thy life within me, in all things have Thy way!  
I, the transparent medium Thy glory to display.

The temple has been yielded, and purified of sin;  
Let Thy Shekinah glory now shine forth from within,  
And all the earth keep silence, the body henceforth be  
Thy silent, gentle servant, moved only as by Thee,

Its members every moment held subject to Thy call,  
Ready to have Thee use them, or not be used at all;  
Held without restless longing, or strain, or stress, or fret,  
Or chafings at Thy dealings, or thoughts of vain regret;

But restful, calm, and pliant, from bend and bias free,  
Awaiting Thy decision, when Thou hast need of me.  
Live out Thy life within me, O Jesus, King of kings!  
Be Thou the glorious answer to all my questionings.

ORGAN POSTLUDE

Crown Imperial - - - - - *Sir William Walton*

O God, our help in ages past, our hope for years to come,  
Our shelter from the stormy blast, and our eternal home!

Under the shadow of Thy throne still may we dwell secure;  
Sufficient is Thine arm alone, and our defense is sure.

Before the hills in order stood, or earth received her frame,  
From everlasting Thou art God, to endless years the same.

A thousand ages, in Thy sight, are like an evening gone;  
Short as the watch that ends the night, before the rising sun.

O God, our help in ages past, our hope for years to come,  
Be Thou our guide while life shall last, and our eternal home!

## ACADEMIC COSTUME

The practice of wearing academic dress for commencement and other special events evolved from fourteenth century custom and at least in part from the statutes prescribing everyday student garb in British and European institutions. A code governing academic costume for American colleges and universities was the outgrowth of a conference in 1895 by representatives of various interested institutions. Review and revision of the code was made in 1932 and again in 1959 by the American Council on Education. In the main, the code standardizes academic costume (gown, hood, and cap) distinctive of the three titles conferred – bachelor, master, and doctor.

**GOWN.** The usual color for the gown is black, and the gown of the bachelor or the master is untrimmed. The doctor's gown is trimmed with a wide velvet band on either side at the front and with three narrow velvet bars across the upper portion of the sleeve. The trimming may be black or may be the color distinctive of the branch of learning. The distinguishing feature of the gown, the *sleeve*, indicates the degree of the wearer: *bachelor*, long, open, and pointed, extending below the hip; *master*, ob-

long, cut square at the back, an arc cut away at the front, extending below the knee; *doctor*, voluminous, bell-shaped, extending to the wrist.

**HOOD.** The most colorful and distinctive item of the costume is the hood, which passes around the neck and extends down the back. The hood is lined with the official colors of the college conferring the degree, and these colors appear where the hood turns outward at the center back. The bands of velvet on either side of the center turn-back indicate the branch of learning. Details in the style of the hood indicate the degree: *bachelor*, three feet long, pointed, two-inch velvet band; *master*, three and a half feet long, pointed, three-inch velvet band; *doctor*, four feet long, paneled at the sides to give a rounded appearance at the lower edge, five-inch velvet band.

**CAP.** The standard black cap (the so-called mortarboard, derived from the cap of Oxford University) is worn both indoors and outdoors with academic costume. The *tassel* is black for the bachelor's or master's degree at this College, and candidates for the doctor's degree wear the gold. Faculty members wearing caps unlike the mortarboard hold degrees from universities outside the United States and are costumed in a manner distinctive of those universities.

**COLORS.** A *purple chevron on a field of gold* identifies the hoods of candidates and graduates of the College of Medical Evangelists. Some of the hood colors seen in the Faculty procession identify graduates of the following universities: California, yale blue on gold; Chicago, maroon; George Washington, buff on dark blue; Harvard, crimson; Illinois, orange on navy blue; Northwestern, purple; Ohio State, silver on scarlet; Columbia, white on light blue; Emory, gold on navy blue; Oregon, dark green on lemon; Southern California, cardinal on gold; Washington (state), purple on gold; Wisconsin, cardinal.

Colors associated with the branches of learning (shown by means of the velvet trimming on hoods and in some cases on the front and sleeves of the gown) are: *dentistry*, lilac; *education*, light blue; *law*, purple; *liberal arts*, white; *library science*, lemon; *medicine*, green; *nursing*, apricot; *pharmacy*, olive; *philosophy*, dark blue; *public health*, salmon; *science*, gold yellow; *social work*, citron; *theology*, scarlet.
