I SOLEMNLY PLEDGE MYSELF,  
before God and in the presence of this assembly,  
to practice faithfully my profession of nursing. . . . I will do all in my power to make  
and maintain the highest standards and practices of my profession. . . . I will hold in confidence all  
personal matters committed to my keeping in the practice of my calling. . . . I will loyally assist the  
physician in his work and will devote myself to the welfare of my patients, my family, and my commu-  
nity. . . . I will endeavor to fulfill my rights and privileges as a good citizen, and to take my share  
of responsibility in promoting the health and welfare of my community. . . . I will constantly endeavor  
to increase my knowledge and skills in nursing and to use them wisely. . . . I will zealously seek to  
nurse those who are ill, wherever they may be and whenever they are in need. . . . I will be active in  
assisting others in safeguarding and promoting the health and happiness of mankind.
