## THE PLEDGE

I solemnly promise to live my life in the service of humanity.

I will hold in gratitude my school,  
its teachings, and the inspiration of my teachers and classmates.

I will do all in my power to uphold and promote  
the honor and dignity of my profession; I will strive to conduct myself  
so that I may merit the respect and confidence of my colleagues.

I will accept my civic responsibility.

I will abstain from greed and will practice  
the charity I owe my fellow men; I will show the same solicitude  
toward my patient that I would have shown toward me.

I will make honesty my goal, in service, in teaching, in seeking knowledge.

These things I pledge to do, freely and upon my honor.
