THE ALLAN FINEMAN MEMORIAL AWARD

The Allan Fineman Memorial Award is a perpetual cash award being presented for the fifth time this year by the Fineman family in honor of their father who was a patient in the University Medical Center. The wording on the plaque given to the student is as follows:

*He was a man who loved life.
His special gifts were warmth, laughter, and the human touch.
These qualities are essential ingredients
for truly effective medicine and nursing.
The recipients of this award
are people who bring this "magic" to their work.*
